- Print and fax to: (207) 755-5482
- Email to: cm-sfs@cmcc.edu

Net worth refers to current value minus debt. If net worth is negative, enter \$0.

Investments include real estate (*do not include the home you live in*), trust funds, UGMA and UTMA accounts, money market funds, mutual funds, certificates of deposit, stocks, stock options, bonds, other securities, installment and land scale contracts (including mortgages held), commodities, etc. **Investments also include** qualified educational benefits or education savings accounts (e.g. Coverdell savings accounts, 529 college savings plans and the refund value of 529 prepaid tuition plans.) **Investments do not include** the home you live in, the value of life insurance, retirement plans (401[k] plans, pension funds, annuities, non-education IRAs, Keogh plans, etc.) or cash, savings and checking accounts already reported. **Investments also do not include** UGMA and UTMA accounts for which you are the custodian, but not the owner. **Investment value** means the current balance or market value of these investments as of today. **Investment debt** means only those debts that are related to the investments.

Business and/or investment farm value includes the market value of land, buildings, machinery, equipment, inventory, etc. Business and/or investment farm debt means only those debts for which the business or investment farm was used as collateral. **Business value does not include** the value of a small business if your family owns and controls more than 50 percent of the business and the business has 100 or fewer full-time or full-time equivalent employees. For small business value, your family includes (1) persons directly related to you, such as a parent, sister, or cousin, or (2) persons who are or were related to you by marriage, such as a spouse, stepparent or sister-in-law. **Investment farm value does not include** the value of a family farm that you and/or your parents live on and operate.
