

**Transfer Articulation Agreement for Baccalaureate Degree**  
between  
**Central Maine Community College**  
and  
**University of Maine at Farmington**

---

**Statement of Purpose**

Central Maine Community College (CMCC) and University of Maine at Farmington (UMF) have entered into this transfer articulation agreement. The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from a two-year community college to a university. It is recognized that this agreement shall describe the required program of study at CMCC for admission eligibility to UMF and the Baccalaureate Degree Program indicated.

**Terms and Conditions of Academic Credit Transfer**

**To: Bachelor of Arts in Biology – Ecology and Conservation concentration**  
(UMF Academic Program/Degree)

**From: Associate in Science in Life Sciences**  
(CMCC Academic Program/Degree)

The evaluation and transfer of earned college credits shall follow state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Central Maine Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMF students. All applicants accepted to UMF Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

- \* Appendix A contains admission and graduation requirements of the receiving institution
- \* Appendix B contains side-by-side course equivalency tables for the academic program listed above
- \* Appendix C contains a map of remaining courses to be taken at UMF

The information contained in Appendices A, B, & C is accurate for:
