

# Accuplacer Preparation Resources

At CMCC your Accuplacer test will have up to 4 components.

- Arithmetic
- Elementary Algebra
- Reading Comprehension
- Writeplacer

Your scores will determine which math and English courses you can register for and may affect your ability to take other courses, especially in the sciences.

*Students are permitted one retake of each section of the Accuplacer to improve their score.*

*There are a number of resources you will find online; many of them require you to pay a subscription fee to access the content. The following are FREE resources:*

In the ‘Browse Our Library’ section, select Arithmetic and Pre-Algebra and select topics you want to review. You can view mini video lessons as well as practice problems and get immediate feedback on your answers.

## **Tips for success:**

- Take time to prepare for the Accuplacer using the resources above or get help from your high school or adult education program.
- Plan for enough time to complete the test (2 hours or more).
- Bring and use a dictionary for the reading comprehension test.
